

Photography Application

Welcome to the 8th annual Red Ball, Igniting Awareness for World AIDS Day. This year's event will take place on Sunday, November 20, 2016 at EXDO Event Center.

Due to the large amount of interest in our event, a completed application for participation must be submitted. Applications will be reviewed by Red Ball committee members and photographers will be notified via e-mail whether their applications have been accepted or declined.

For consideration in this year's event, please return a signed and dated application (both pages) to Colorado AIDS Project (CAP) no later than **5:00 p.m. on Friday, October 28, 2016**. Late applications will not be considered.

Accepted photographers will be issued 2 admissions to the event with backstage access for one photographer and one assistant, age 18 or older, and will be given a dedicated space in the photography section for the show. Photographers will be chosen to participate in this year's event based on style, look of work, and previous experience. *Due to space restrictions not every photographer who submits an application will be accepted. Applications from photographers who have not complied with the application regulations in the past will not be considered.*

All photographers who are accepted for this year's event will be asked to share all photos taken at Red Ball with Denver Colorado AIDS Project (DCAP). Do you agree to share the entirety of photos captured including raw, untouched photos with DCAP by December 31, 2016?

YES _____ NO _____ Initials _____

DCAP uses photos of Red Ball in marketing campaigns for future events and in marketing publications. Do you agree to allow DCAP to use the photos you've taken at Red Ball for promotional purposes of the organization and future events? (Photographers whose photos are used will be credited, on the piece when space allows, otherwise on the Red Ball website.)

YES _____ NO _____ Initials _____

Please complete the application on the following page.
